Maintenance throughout the UK

2025 Brochure

Keep your residential or commercial premises looking their best with 7POINT Cleaning and Facilities Management's extensive range of professional cleaning and maintenance services.

From meticulous residential and institutional cleaning and grounds maintenance to essential pest control and building upkeep, we offer tailored solutions to meet all your needs, ensuring a clean, safe, and well-maintained environment.

1. **Assess Needs:** We thrive on thoroughly understanding the specific requirements of our client and the facility, including size, type of use, and occupancy. To us, this vital information is crucial for developing an effective cleaning and maintenance plan.
2. **Hire and Train Staff:** We always ensure that ensure that our cleaning and maintenance staff are adequately trained on proper cleaning techniques, safety procedures, and the use of specialised equipment.
3. **Schedule and Document Tasks:** For each of our clients, we always seek to establish a clear schedule for cleaning, maintenance, and repairs, and document all tasks performed, including frequency, methods, and materials.
4. **Green and Smart Solutions:** We consistently aim to incorporate sustainable practices, such as eco-friendly cleaning products and energy-efficient equipment, to reduce environmental impact and operational costs.
5. **Involve Occupants and Visitors:** We constantly strive to engage occupants and visitors in the cleaning and maintenance process by providing feedback channels, encouraging participation, and promoting a sense of ownership.
6. **Preventative Maintenance:** We start each contract by implementing a proactive maintenance program that includes regular inspections, repairs, and replacements to prevent major breakdowns and reduce downtime.
7. **Asset Management:** We have systems and structures in place to manage and track all facility assets, including equipment, furniture, and fixtures, to ensure proper maintenance, enhanced lifespan, and optimal replacement.
